

**MEMORANDUM OF UNDERSTANDING
BETWEEN
PA INTERNATIONAL FOUNDATION
AND
INDONESIA ONE HEALTH UNIVERSITY NETWORK (INDOHUN)
WITH REGARDS TO COOPERATION IN AMR PREVENTION**

October 7th, 2019

Upon in-depth consultation, PA International Foundation and Indonesia One Health University Network (INDOHUN) have expressed the intention to work closely together in order to help prevent and control Antimicrobial Resistance (AMR), and have come to a Memorandum of Understanding as follows:

1. First, all parties agree to cooperate in the direction of AMR prevention and control through, but not limited to information exchange and raising awareness of AMR; scientific and technology research; verification and promotion of antibiotic substitutes; communication of scientific and technical personnel; formulation of AMR policy, and establishing big data on AMR surveillance. All parties will jointly communicate the progress of the work.
2. Second, all parties will aim to jointly organize joint forums, seminars, symposiums and professional training activities together in order to promote international cooperation and exchange in AMR prevention.
3. Third, each party has appointed the following representatives and their contact information:
 - i. Public Advice International Foundation
 - Rio Praaning Prawira Adiningrat : rdp@pa-international.com
 - Dr. Widjaja Lukito : wlukito298@gmail.com /
widjajalukito@pa-international.org
 - ii. Indonesia One Health University Network
 - Prof. Wiku Adisasmito : wiku.adisasmito@gmail.com /
wiku.adisasmito@ui.ac.id
4. Fourth, this MoU is drawn in both Indonesian and English versions, in case of an inconsistency between the English and the Indonesian versions, the Indonesian version shall prevail. This MoU will come into effect upon signature.

WA

This MoU is subject to be reviewed annually by all parties at which time revisions shall be made accordingly possibly followed by amendments of these agreements.

Signed on October 7th, 2019
